

Data Protection Declaration for Participants in the 9th International Conference on Computational Methods in Applied Mathematics (CMAM 2020)

Protecting and securing data are important matters at TU Wien. Personal data are processed in strict compliance with the principles and requirements laid down in GDPR¹ and DSGVO². TU Wien only processes those data required for the purposes intended and at all times endeavours to ensure the security and accuracy of the data.

Controller:

Rectorate of Technische Universität Wien (TUWien)
Karlsplatz 13
1040 Vienna

Data protection officer:

Mag. Christina Thirsfeld
TU Wien
Karlsplatz 13/018
datenschutz@tuwien.ac.at

The following data are processed in this data processing:

- *Academic degree*
- *Name*
- *Address*
- *Institution/Department*
- *Telephone*
- *Email*
- *Gender*
- *Nationality*
- *Special food requirements for the conference dinner*
- *Hotel booking data (invited speakers)*
- *Travel data (invited speakers)*
- *Bank details (invited speakers)*
- *Photos (only with consent)*

The data will be obtained from you directly.

¹ General Data Protection Regulation

² Austrian Data Protection Act (DSG)

Legal basis for the data processing:

This use of personal data is based on article 6, paragraph 1, letters c) (legal obligation) and e) (performance of a task in the public interest) GDPR read together with § 3, numeral 7 of the 2002 University Act (“Support of national and international cooperation in the field of academic research and teaching and art”).

Category of recipients of the personal data:

Your personal data are forwarded on the basis of statutory regulations or rather contractual agreement to the following recipients who are directly involved in the event procedure and if the organizational procedure requires this.

Υ *Hotels* (Only if we support the participants to find an accommodation for the purpose of CMAM 2020)

Purpose of the data processing:

The conference is organized under the aegis of the journal Computational Methods in Applied Mathematics (CMAM) and will be focused on various aspects of mathematical modeling and numerical analysis. Its scope coincides with the scope of the journal: It aims at fostering cooperation between researchers working in the area of theoretical numerical analysis and applications to modeling, simulation, and scientific computing.

The 9th edition of the conference takes place on July 13-17, 2020 in Vienna.

We collect your personal data for processing and transmission of data for the organization and management the CMAM 2020.

Advertising of the event with personal data:

Personal data of selected persons such as lecturers and participants in a panel discussion (name, employer) are published for the purpose of advertising the event. The list of participants will be remain publicly (also after the end of the conference).

Data processing for purposes of submission of abstracts

Submission of your academic work for the event in question is not possible without collecting, storing and processing personal data. This occurs exclusively for the purpose of organizing and conducting the event. Your data are only passed on to third parties directly involved in the event organization procedure and only if the procedure makes this necessary (e.g. Academic committee organizing society, reviewer, publisher).

Data processing for purposes of management and security of the system

Due to applicable statutory data security regulations, several items of your data are processed for management and security of the system, including for user code management, allocation of hardware and software to system users as well as for the security of the system. This includes text documents generated and stored with automated support (such as correspondence) in these matters. Without this data processing safe operation of the system and thus employment in our undertaking is not possible.

Images

In the context with the event, images and films are produced for which we need your consent in the registration form. The images are used for marketing purposes (event reports, advertising of subsequent events and self marketing) and for documentation purposes. If you are not in agreement with the use of these images, you can contact us at any time under cmam2020@asc.tuwien.ac.at. We will provide special areas where there will be no photographing.

Transmittal to third parties:

No third-party firms work outside the EU.

Retention period for storage:

We store your data for the purpose of conducting the event and beyond that for the duration of statutory retention periods or as long as legal claims can be asserted against TU Wien or rather as long as consent was given.

As the **data subject** affected by the processing of these data, you have the following rights vis-à-vis TU Wien:

- the right to information;
- the right to rectification;
- the right to erasure;
- the right to restriction of processing of your data;
- the right to data portability;
- the right to object.

As the **data subject**, you also have the right to complain to the Data Protection Authority (<https://www.dsb.gv.at/>) concerning any alleged inadmissible data processing or our failure to fulfil our obligations arising from GDPR.

Right to revocation under article 7 GDPR:

Depending on your “person category” we ask you for various different consent declarations. They are retrieved inside online registration or directly from the relevant person, group coordinator or company representative.

Every concerned person has the right to revoke in writing or by email to cmam2020@asc.tuwien.ac.at at any time the consent once given. Revocation of the consent declaration does not affect the legality of the processing accomplished prior to the revocation.
