OTKR Vienna, 19-22 December 2019 / 1st Announcement

Dear colleagues and friends,

we are pleased to announce the 2nd Vienna X-mas conference "Operator Theory and Krein spaces".

Where: Vienna University of Technology

When: Thursday 19.12 -- Sunday 22.12.2019

More information (including conference website, hints for travel/hotel, etc.) will be distributed in the next announcement.

This conference aims at bringing together mathematicians working on spectral theory, Krein spaces, and related fields.

Subjects will range from geometry of indefinite inner product spaces and general operator theory to ordinary and partial differential equations and classical analysis.

The website of the 1st Vienna X-mas conference, which took place in 2016, is still online (<http://www.asc.tuwien.ac.at/~otind/>).

Looking forward to seeing you in Vienna!

The organisers

(Jussi Behrndt, Aleksey Kostenko, Raphael Pruckner, Harald Woracek)
